Life Care Center of Old Hickory Village

Located northeast of Nashville city center, in Old Hickory, Tennessee, Life Care Center of Old Hickory Village is just seven miles from TriStar Summit Medical Center and TriStar Skyline Medical Center. Our state-of-the-art facility was completed in 2012, and in January 2017, we completed our annual state survey with no deficiencies. Our thrive here approach to care keeps residents and patients at their highest level of independence, making us a perfect choice for short-term rehabilitation, long-term care and post-operative recovery.

Life Care Center of Old Hickory Village focuses on inpatient and outpatient rehabilitation with 24-hour skilled nursing care. Our resort-like atmosphere features advanced therapy equipment, such as the AlterG® Anti-Gravity Treadmill® and Biodex Balance System SD.
