

# Junior Leadership 2024

# GOALS & ELIGIBILITY

Note: The purpose of this role is to help build leadership skills and confidence within our future leaders :)

## STANDARDS

1. Students are to be actively engaging with ideas and solutions to create a positive impact within the Chamber organization.
2. An "A" in Attendance is a must when assembly after school hours. (3) consecutive missed group meetings are grounds for removal of the leadership program.

## VERIFICATION

(Parental consent)

1. Students will have parents sign a consent letter of participation and make necessary transportation arrangements throughout this program period.
2. Students will brief parents and administrators from their current school of progress.
3. Chamber Junior Leader will give updates at monthly Chamber Board meetings.

## OBJECTIVES

1. Recruiting: Actively reaching out to educators in promoting students for Junior Leader roles within the Chamber.
2. Workshops: Assembly of group workshops to review everyone's skillset and other abilities that will play a positive impact on other peers alike and existing leaders.
3. Mentorship: During this leadership role, the student is open to being mentored and also willing to be the mentor to others. This will allow shadowing opportunities with business owners for career path opportunities.
4. Creating: Organizing round table discussions with other Junior Leaders with today's issues and the solutions to resolve some of these obstacles.

## ACTIVITY

Activities must be engaging and fun while being open minded to opportunities for a positive difference.
